## Nomination Form

### Purpose of Award

As many Arizonans often hear the “bad” stories of contractors, the Registrar of Contractors Industry Advisory Council wants to showcase the countless hours and effort that good contractors invest into our communities statewide. To that end, these awards were established to recognize the positive impact that contractors make by raising funds for charitable causes, or contributing time, labor and materials to Arizona charities. As such, the Industry Advisory Council will recognize General Contractors, Subcontractors, Associates (vendors, suppliers, etc.) and Associations that have taken ownership of community service by truly exemplifying the “Building Blocks of the Community.”

### Selection

The Registrar of Contractors Industry Advisory Council will manage the nomination process, and a panel of representatives from business, industry and community service organizations will serve as judges. All award recipients will be announced at the banquet.

### Criteria/Eligibility

Community Service Projects must have begun no earlier than May 2004 and completed by May 2005. All nomination forms must be received by May 31, 2005 and be accompanied by five digital photos for one of the following categories:

- General Contractor
- Subcontractor
- Associate (vendor, supplier, etc)
- Association

### Presentation

Important: Please include only one project per nomination. Awards will be presented at the event on August 20, 2005.
